During 2008, criminal case processing in Ada County was converted to the statewide case management system ISTARS. In the old county system, each misdemeanor charge was counted as a new case filing. ISTARS has historically counted all charges as a single case. This change results in a decline in misdemeanor filings for Ada County.

During 2008, criminal case processing in Ada County was converted to the statewide case management system ISTARS. In the old county system, each misdemeanor charge was counted as a new case filing. ISTARS has historically counted all charges as a single case. This change results in a decline in misdemeanor filings for Ada County.
