I.R.C.P. 85.f. List of Evaluators.

Idaho Rules of Civil Procedure Rule 85(f). List of Evaluators.

Unless the parties have agreed in advance to the selection of a particular evaluator, upon notice of initiation of the provisions of the Small Lawsuit Resolution Act, the clerk of the court shall provide each party to the case a list containing the names of five (5) randomly selected evaluators, who reside or are willing to perform evaluations in the county where the lawsuit has been filed. The clerk of the court shall include the rate of hourly compensation, if any, for each evaluator and identify a website where the parties may obtain additional information about each evaluatorís qualifications. If there are more than two parties to the litigation, the clerk will provide the names of ten (10) randomly selected evaluators to the parties.
