

## **SUMMARY STATEMENT**

*Minor Miracle Productions, LLC v. Starkey*, Docket No. 36996

This appeal relates to a dispute arising from the production of the film “*The Hayfield*.” The district court entered judgment against Randy Starkey, the writer and director of the film, awarding plaintiffs over one million dollars in damages and ordering Starkey to return the film and release related copyrights. The Supreme Court affirmed the judgment, holding that the district court had jurisdiction over plaintiffs’ claims and that Starkey failed to otherwise show that the district court erred. The Supreme Court found that the appeal was frivolous and awarded attorney fees to plaintiffs.
