

SUMMARY STATEMENT

Nava v. Rivas-Del Toro, Docket No. 37613

The Supreme Court unanimously vacated the judgment of the district court. This personal injury action arising out of a traffic accident was dismissed against the owners of the truck driven by the person who was allegedly at fault on the ground that he was an employee of the owners and was outside the course and scope of his employment. Because that is not a defense to the claims alleged in the complaint, we vacate the judgment of the district court.
