Prospective Guardian & Conservator Online Training Module

The online training module was developed by the Idaho Supreme Court Guardianship and Conservatorship Committee with the intent to educate prospective Guardians and Conservators about their roles and responsibilities. Under Section 31-3201G, Idaho Code and Idaho Court Administrative Rule 54, the court may charge a \$25 fee to cover the cost of providing the training. The fee is collected by the county clerk's office in the County in which the case is filed. Once the fee is paid, the petitioner will be provided a Petitioner's Receipt Number to enter during registration for the course.

This course is ordered for all petitioners seeking appointment as a Guardian and/or Conservator through the Idaho Court system. Those seeking appointment must furnish the county clerk with a completion certificate for each course required to be taken. It is also available to those who are not seeking a certificate and simply wish to access and take the course for informational purposes.

These courses do not work on cell phones or tablets, please review the course on a reasonably current PC or Mac. Once you start this course by clicking on the following link, do not close the page, your progress will not be saved and you will have to start over.

> Take the Guardian or Conservator course for an [Adult here](#) [2].

> Take the Minor Guardian course for a [Child here](#) [3].

> For a Minor Conservatorship, please complete the Adult Conservator course.
